Evaluation of a clinical study in accordance with § 15 of the Professional Code of Conduct of the Medical Association of Westphalia-Lippe from 20.06.2020

Prof. Dr. med. Vera von Dossow
Lars Krüger, B.A., M.Sc.

WDAD 2023 - Worldwide delirium prevalence study on March 15th 2023

Receipt of documents on 14.11.2022

Dear Professor von Dossow,

The Chairman of the Ethics Committee has reviewed the documents submitted for the above study in a shortened procedure based on the existing approval granted by the Ethics Committee of the Christian-Albrechts-University Kiel's Faculty of Medicine.

Our Ethics Committee has no ethical concerns regarding the objectives and conduct of the study.

Please note that you are bound by the conditions set out in the approval granted by the Ethics Committee of the Christian-Albrechts-University Kiel's Faculty of Medicine.

General Remarks:

It should be noted that aspects of data protection law are only examined by the Ethics Committee in a cursory manner. This approval, therefore, does not substitute consultation with the appropriate data protection officer.

Die Ethikkommission ist gem. § 17 Abs. 7 MPG im Bundesinstitut für Arzneimittel und Medizinprodukte registriert (Z14.06-A-1871-60588/98).

The ethical and scientific responsibility for implementing the study remains with the Head of the Study. The rules and legislation applicable to Germany are to be observed when conducting the study.

Based on a decision of the Ethics Committee, I would ask you to submit the publication of the results of the study to the Ethics Committee for our information.

Kind regards

Prof. Dr. med. W. Burchert
Chairman of the Ethics Committee
